Open Practice Ice – Saturdays in Whitestown from 2:00-2:50pm

Spring Exhibition March 27, 2011

PARENT CONDUCT

- Basic Skills skaters **should not be dropped off at the rink unaccompanied**. A parent or other responsible adult should check in with the registration table IN THE BACK LOBBY upon arrival. Please do not leave young children unattended during their lessons. ALL SKATERS should ALWAYS enter and leave the ice from the back rink doorway unless instructed otherwise.

SKATER RULES

- Skaters should dress appropriately for the rink. Gloves are recommended for all sessions. Hats and sweaters may be desired on colder days. Helmets are suggested for younger or more tentative skaters, but are not required. DO NOT wear scarves or other articles of clothing that may drag on the ice.
- Skaters are recommended to use figure skates (with a single blade), but may use hockey skates if they so desire.
- Parents, siblings and other non-club members are NOT allowed on the ice or in the penalty boxes at any time.
- During the ½ ice practice time and during Saturday practices, skaters are encouraged to practice their skills. There should be no horse-play, tag, etc.
- Testing for badge levels will be done when the coach believes a skater is ready to advance. In general, testing will be done only once during a session, in order to avoid disruption of class progress. If intermediate tests are given, badges and evaluation sheets will be available at the sign-in desk on the week after a coach tests a skater.
- There are no “make-up” lessons during each 10 week session. Skaters may not change lesson days due to personal schedules.
- If you need to make a permanent lesson day change during the session, please see your session monitor to determine if space is available on the alternate day.
- Parents should sign skaters in at the back table each week where monitors will have skater name tags, as well as any lesson information or other communications from the Board or coaches.
