SUBJECT: NEW HARTFORD SKATING CLUB ANNOUNCES SCHEDULE

The Skating Club of New Hartford is proud to announce their schedule for the coming year, and is holding registration for the Learn to Skate program. Registration will be held on Sunday, September 14th, and Monday, September 15th, at the New Hartford Recreation Center, between 5pm and 7pm both evenings.

The Learn to Skate program is a US Figure Skating sanctioned program used to teach skating skills to young and old alike. The focus is on the enjoyment of skating, and the mastering of the basic skills needed to be able to skate. Classes are held on Sunday and Monday evenings from September through March.

The Skating Club of New Hartford is also announcing their schedule of events for the upcoming season. This year the club will continue to hold their Christmas Exhibition event, which is open and free for the entire community. This year, the Christmas Exhibition will be held on Thursday, December 18th. The event features holiday music, and holiday themed exhibition programs by the skaters of the club. These are some of the most accomplished young skaters in the area, who compete in US Figure Skating competitions all over the northeastern United States.

The club also announced the date for the Mohawk Valley Classic Competition. The club will host the only local competition of this year on January 18th, 2009. The Mohawk Valley Classic is a unique competition that awards medals to competitors from around the nation. One highlight of the competition is a celebrity judged Showcase competition.

The club will host their annual Spring Exhibition on March 28, 2009. This event features exhibition numbers skated by the members of the Learn to Skate program, and is open and free to the public. It offers our Learn to Skate students a chance to showcase the skills that they have mastered during the skating season.
