

ICY NEWS -- OCTOBER 2022

WELCOME to a new season of skating! Thanks for joining us

Learn to Skate Session I - FALL:

- Parent and skater should sign in at the back registration table for each lesson.
- Nametags – please bring these each week and wear these during each lesson. We will collect them at the end of Session in December.
- Lessons will run EVERY week, even during school breaks – except for specific dates below.
- We have freestyle skaters available as helpers on all sessions. They assist coaches during lessons and are available on practice ice, as well. Please ask them for help – they are volunteering their time to help everyone enjoy the sport and be a better skater!
- Only registered SCNH members may be on the ice at any time!! No exceptions. Parents/friends should not be in the hockey boxes during lessons/practice. To allow skaters to enter and exit the ice easily, please don't stand right in front of the rink door.
- Parents/adult chaperone SHOULD remain in the rink during lessons. You may definitely use the upstairs observation area at the rear of the rink – which is warmer and has a good view!

**HALLOWEEN – no club ice (and no lessons) on Monday the 31st.
Have fun trick-or-treating!**
